

## Fetească Regală 2012

Wine with geographical indication  
“Dealurile Crișanei”

### The hills

Rătești hill side has become famous in the 1700s, from count Károlyi's time, when the Swabians first established here. They had a major contribution in transforming the area and making it a popular wine region for the time. High soil acidity and good exposure make fresh white wines and well balanced red wines, with good aging potential. The grapes for this wine were harvested from all three of our locations: Hodișa, Gereușa and Rătești.

### Year Characteristics

2012 was an extremely dry year, but the fruits were not affected. The grapes were healthy and over all the yield was good for only 3 years old vines, 1,5 t/ha.

### About the winemaking

The grapes were harvested between the 20th and 25th of September with a sugar level of 210-220g/l and were fermented in large inox tanks. For fermentation we have used selected yeasts.

### Tasting Notes

Exotic fruits perfume, good acidity that make the wine very fresh. Well ripped apple in the after taste.
