

Sauvignon Blanc 2013

Wine with geographical indication
"Dealurile Crișanei"

The hills

Rătești hill side has become famous in the 1700s, from count Károlyi's time, when the Swabians first established here. They had a major contribution in transforming the area and making it a popular wine region for the time. High soil acidity and good exposure make fresh white wines and well balanced red wines, with good aging potential. The grapes for this wine were harvested from all three of our locations: Hodișa, Gereușa and Rătești.

Year Characteristics

2013 was a least favorable year, with extreme temperatures and abundant rainfall. The grapes were affected and the yield was quite poor, 2 t/ha. The vines were four years old.

About the winemaking

The grapes were harvested between the 20th and 25th of September at a sugar level of 210-220g and were fermented in large inox tanks. For the fermentation process we have used selected yeasts.

Tasting Notes

Pleasant, fruity nose, savory taste, very well balanced. The after taste is sweet-sour, reminds of a ripped fruit.

Serving tips

Pairs well with pasta, salads or fish.
To be served at 8°-10°C.

Alcohol	13,3% vol.
Residual sugar	1,68 g/l
Acidity	5,40
Bottles	30.000
